

# Free On-Demand Trainings

Introducing the Pacific AETC-Nevada E-Learning Portal. The E-Learning Portal is a free, 508 ADA compliant, HIV, Hepatitis, and STI online learning site offering CME, nursing CE, and pharmacy CE for Nevada's healthcare professionals.

## FREE PHARMACY CREDIT ON DEMAND

Pharmacists and other healthcare team members can now access free on-demand local training programs at their convenience.

**To access this course, use the link below or scan the QR code with your smart device:**

## Senate Bill 325 Pharmacy- Based Pre-Exposure Prophylaxis (PrEP)

This two-hour recorded webinar meets the two hour CE requirement for Nevada pharmacists to prescribe and dispense pre-exposure prophylaxis medication for people at risk of HIV infection.

This recording will provide pharmacists with an extensive review of the Nevada Board of Pharmacy regulations pertaining to the provision of pharmacy-based HIV prevention services, including both post-exposure prophylaxis (PEP) and pre-exposure prophylaxis (PrEP).
